Annual 47 C.F.R. § 64.2009(e) CPNI Certification**EB Docket 06-36**

Annual 64.2009(e) CPNI Certification for Calendar Year 2009

Date filed: February 26, 2010

Name of company covered by this certification: Southern Communications Services, Inc. d/b/a SouthernLINC Wireless ("SouthernLINC Wireless")

Form 499 Filer ID: 812395

Name of signatory: Julie T. Pigott

Title of signatory: VP, Marketing & Customer Support

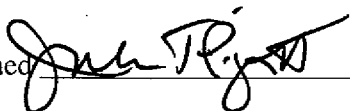

I, Julie T. Pigott, certify that I am an officer of the company named above, and acting as an agent of the company, that I have personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules. *See* 47 C.F.R. § 64.2001 *et seq.*

Attached to this certification is an accompanying statement explaining how the company's procedures ensure that the company is in compliance with the requirements set forth in section 64.2001 *et seq.* of the Commission's rules.

The company has not taken any actions (*e.g.*, proceedings instituted or petitions filed by the company at either state commissions, the court system, or at the Commission against data brokers) against data brokers in the past year. Apart from the information filed by other companies in Commission Docket No. 96-115, the company is not aware of information regarding the processes pretexters are using to attempt to access CPNI, and what steps other companies are taking to protect CPNI. The steps the company is taking to protect CPNI are explained in the accompanying statement.

During 2009, the company received one complaint from one customer alleging that CPNI was released without authorization. After investigating the complaint thoroughly, the company found no conclusive evidence that the customer's CPNI had been released without proper authorization. The company was in contact with the customer during the investigation both to explain the process to the customer and to gather all relevant information. At the conclusion of the investigation, the company contacted the customer, who has made no subsequent inquiries or further complaints regarding this matter.
